

■ KEYNOTE SPEAKING ENGAGEMENTS

Speaking programs can be tailored to meet your needs. Programs are available from 30 minutes up to 2 hours; for over two hours please check out “training.”

Popular Topics Include:

Leadership: *Turning Managers Into Leaders*

How to unlock the leadership potential you have. A motivational topic that has attendees excited to get back to work and grow from being a manager to being a leader.

Sales: *Simplify the Sales Process, Close the Deal*

A high-energy presentation that shows how to simplify the sales process and improve your close ratio. Why do we always seem to over complicate the sales process?

Customer Service: *Turn Customer Service Into an Asset Not a Liability*

The key to sustained growth is account retention. Customer service is the secret weapon to improve account retention.

Business Management: *Take Control, Do Not Be Controlled*

During this presentation you learn how to be in control of your time and stay on task. Great for new and middle managers to help them achieve their goals.
